- 14 In the description tab, add a Description to the content added also

The screenshot shows the Dubble content editor interface. At the top, there's a 'Content Title' field with the placeholder text 'e.g. Setting up your computer' and a language selector set to 'EN'. Below the title is a 'Tags...' field. A horizontal tab bar contains four options: 'Document', 'Description', 'Additional Resources', and 'Quiz'. The 'Additional Resources' tab is highlighted with a blue box and a blue circle. Below the tabs, there's a text area with the placeholder text 'e.g. In this video, we'll give you the keys on how Odoo can help you to grow your business. At the end, we'll propose you a quiz to test your knowledge.' and a language selector set to 'EN'. At the bottom, there are three buttons: 'Save & Close', 'Save & New', and 'Discard'. The Dubble logo is in the bottom right corner.

- 15 Click on Additional Resources and if needed mention them

The screenshot shows the Dubble content editor interface with the 'Additional Resources' tab selected. The 'Quiz' tab is also visible and highlighted with a blue box. Below the tabs, there's a table with the following columns: 'Resource Type', 'Name', 'Resource', and 'Link'. The first row is highlighted in light blue and contains the text 'Add a line'. Below the table, there are three buttons: 'Save & Close', 'Save & New', and 'Discard'. The Dubble logo is in the bottom right corner.
